Dear Friends,

Please accept our sincere thanks for being an Angel Investor for Community Roof-Sit For Kids 2019. Your continued support of this event is so appreciated by the staff, board of directors and the children and families we serve daily. It allows us to provide ALL of our services at no cost to anyone. Again this year, the event was very successful, raising over \$138,500 to help fight child abuse in St. Clair County.

Thank you for being part of this unique event in support of the belief that...
