

Thank you so much for your support of our Port Huron United Boys High School Swim Team. Our team banner with your name and logo traveled with us to all of our swim meets. We hung it at every meet in both St. Clair and Macomb Counties, proudly displaying our team sponsors.

The Port Huron United Swim Team is a club sport and is completely self-funded. This year our team was made up of boys from all grades at both Port Huron and Port Huron Northern high schools along with a foreign exchange student from each high school. Together, we swam many laps and grew immensely both individually and as a team while having a lot of fun. Your sponsorship helped to pay for team swim suits, a small charter bus to get us to our divisional meet in Sterling Heights at the end of the season, lunch to eat on the bus, and our end-of-the-year team banquet. We so appreciate all of our sponsors helping to keep our out-of-pocket costs down!

Thanks again from your 2021-2022 Port Huron United Swim Team
